|| Life Predictions ||

Character

You are a sensitive and emotional person. The hard knocks of this world have more effects on you than they have on most other people, and you lose some of the enjoyment of life in consequence. What other people say and think of you is taken by you to heart. Thus, there are a certain number of things which cause you unhappiness which, after all, are not worth troubling about. Your manner is quiet, as a rule, and this quality gives you the appearance of being strong and determined in the eyes of your fellow-men and women. It enables you to get your own way when you want it. You do not say as much as you think and while you are thinking, you are reasoning. It follows that your judgement is worth having and people will flock to you for advice. You have several excellent qualities. You are highly sympathetic, which makes you a good friend. You are loyal and patriotic and are thus a first class citizen. You are, or would be a most lovable parent. You are, or would be, everything that your partner could desire. Clearly, the good qualities of yours far outweigh the others.

Happiness And Fulfillment

You have the ability to truly enjoy yourself in the company of others. Quite cheerful and pleasant, you are not afraid to laugh and usually have an excellent sense of humor. Your mind is influenced strongly by beauty, and you may bring it prominently into your environment. Anyone who can bring beauty into his or her surroundings is more prone to happiness.

Life Style

You are concerned about how others will regard you intellectually and are motivated to direct your efforts toward education before any other areas.

Career

You are authoritative and stubborn in your business life. You must be the leader than the follower. Try to look at problems objectively, and do not make decisions just because you are obstinate, as this could be your biggest bottleneck to achieving job happiness and success.

Occupation

Your inherent push and go are very useful acquisitions. Whilst others are debating, you are acting, and it is the early bird that gets the worm. You should cast away all thought of taking up a profession or occupation that requires polish and gentleness. You are far too practical to bother about surface qualities. They irritate you. You are a person of action and prefer rough and ready efficiency to anything else. You could play the part of an explorer admirably, both in real life and on the films. You would be far better as a surgeon than as a finance consultant. At any job where skill in making things was needed, you would succeed. Engineering may be cited as such a job. There are many occupations at sea which would suit you extraordinarily well. As an aviator, you would display the requisite pluck and daring. There are endless fields for your energies in work connected with land. Not only would you make an excellent farmer, but you would do equally well as a surveyor, a mining engineer and a prospector.

Health

While you are not actually robust, there are few reasons, however, why you should be concerned about your health. Your chief ailments will be more imaginary than real. Nevertheless, they will cause you a certain amount of unnecessary anxiety. You look into yourself too much and wonder why this or that has happened, when, in reality, it is nothing worth thinking twice about. You are apt to read medical books, and your imaginations manufacture the symptoms of dread diseases. You may suffer from throat troubles at some time or other. Avoid drugs, except those prescribed by a doctor. Lead a natural life, have plenty of sleep, take sufficient exercise and eat sensibly.

Hobbies

You will take up many hobbies. You will become very much wrapped-up in them. Then, suddenly you will lose patience and cast them aside. Another will be chosen and it will suffer the same fate in due course. You will proceed through life in this manner. On the whole, your hobbies will afford you considerable pleasure. You will learn much from them, seeing that you will sample so many.

Love Matters

In love matters, you are just as vigorous as you are in work and play. Once you fall in love, you want to be in the company of your intended-one every available minute of the time. You are too wise to neglect your work. But, once the work is accomplished you will hurry off to trysting-place to keep the appointment. When marriage is an accomplished fact, you will want to rule the home. The ruling will not be done, necessarily in an aggressive manner, it will certainly be efficient. If you are a woman, you often help your husband in his business affairs and this you perform with marked efficiency.

Finance

You will have great ability in making money in all forms of industry, business organisation or in the employment of others. You will always see a way out of any difficulty and be self-reliant and determined in whatever course of action you may decide to follow. You will be a speculator on a large scale in all you undertake. You will treat life more as a game than from a serious standpoint. As a general rule, luck will favour you during the greater part of your life. In relation to finance you need have nothing to fear. Once the early part of your life is over, you will begin to reap forward for the foundation you have laid and from that point you are likely to accumulate wealth and position.

|| Manglik Details / Mangal Dosha ||

Generally Manglik Dosha is considered from the position of Lagna and Moon in the birth chart.

In the birth chart, Mangal is placed in Sixth house from Lagna, while in the Moon chart Mangal is placed in Fourth house.

Hence Mangal Dosha is not present in Lagna Chart while present in Moon Chart.

Mangal Dosha is considered to create hurdles in the married life of a person. According to some, Mangal Dosha results in frequent illness or ultimately death of partner(s).

It is considered that if a manglik person marries to another manglik person then the manglik dosha gets cancelled and has no effect.

Some Remedies (in case Mangal Dosha is present)

Remedies (needs to be performed before marriage)

Kumbha Vivah, Vishnu Vivah and Ashwatha Vivah are the most popular remedies for Mangal Dosha. Ashwatha vivaha means the marriage with peepal or banana tree and cutting the tree after that. Kumbha Vivah, also called Ghata Vivaha, means marriage with a pot and breaking it after that.

Remedies (can be performed after marriage)

1. Keep Kesariya Ganapati (Orange coloured idol of Lord Ganesha) in worship room and worship daily.
2. Worship Lord Hanuman by reciting Hanuman Chalisa daily.
3. Mahamrityunjaya paath (recitation of Mahamrityunjaya mantra).

Remedies (based on Lal Kitab, can be performed after marriage)

1. Feed birds with something sweet.
2. Keep ivory (Haathi Daant) at home.
3. Worship banyan tree with milk mixed with something sweet.

Note: We strongly recommend you to consult an astrologer before performing these remedies by your own.

|| Sadesati Report ||

Shani Sade Sati: Rising Phase

This is starting period of Shani's Sade Sati. In this period Saturn will be transiting in 12th house from the Moon. It generally indicates financial loss, problems by hidden enemies, aimless travel, disputes, and poverty. During this period, you may face problems created by your hidden enemies. Relationship with your colleagues will not be good enough and they will create problems in your work environment. You may also face challenges on your domestic front. This may create pressure and tension. You need to exercise control over your spending otherwise it will lead to bigger financial problems. Long distance travels may not be fruitful during this period. Saturn's nature is of delay and dejection, but generally you will get results eventually, so be patient and wait for your turn. Take this period as learning period, put your hard work and things will fall in place. You are advised not to take high risks in business matters in this period.

Shani Sade Sati: Peak Phase

This is the peak of Shani's Sade Sati. Generally this phase of Saturn is the most difficult one. Saturn transiting over natal Moon indicates health problems, character assassination, problems in relationship, mental afflictions, and sorrows. You will find it difficult to achieve success in this period. You may not get results of your hard work and feel restricted. Your constitution and immune system will not be strong. As first house is the house of health, you should start exercising and taking care of your health, otherwise you can be caught by chronic diseases. You may suffer from depression, unknown fear or phobia. You will lack clarity in thinking, action, and decision making. You will be spiritually inclined and will be attracted by intricacies of nature. Acceptance and doing basics right will sail you out of this period.

Shani Sade Sati: Setting Phase

This is 'setting' period of Shani's Sade Sati. Saturn will be transiting in the 2nd house from the natal Moon, which indicates difficulty on financial and domestic front. You will start feeling slight relief after having two difficult phases of Sade Sati. Still, misunderstandings and financial stress can be seen during this period. Expenses may keep soaring high and you need to continue exercising control. Sudden financial losses and fear of theft is also a possibility. You may be pessimistic in thinking, you are advised to deal with matters enthusiastically. You will require paying good attention to family and personal front, otherwise those can also lead to a bigger problem. For students, education may be slightly affected and they will have to work harder to hold on to their existing level. Results will be slow and almost always with the delay. This is a period which indicates danger and apart from other things, you need to be careful while driving. If possible, stay away from non-veg and your drinking habits to keep Saturn happy. You will be able to sail through this period by intelligently handling your domestic and financial matters.

Note: Above predictions are of general nature and are based on general belief that Sade Sati is harmful. Truly speaking, we found that it is not always the case and we recommend reading this article on Sade Sati. Any conclusion based on Sade Sati alone is not correct and has good chances of failing. Certain factors like current running dasa and nature of Saturn also need to be analyzed before we can conclude whether Sade Sati period will be malefic or benefic. You are advised not to take above forecasts seriously and in case of any doubt, consult a good astrologer.

|| Kalsarpa Dosh ||

Kalsarpa Dosh/Yog

As per the current definition, when all planets are situated in middle of Rahu and Ketu in birth-chart or horoscope, the astrologers call it Kalsarp Dosh. In present days, discussions about this dosh are vogue among Jyotishi or Hindu Astrologers of India. Many of troubles in one's life are mostly because of Kalsarp Dosh. Without analyzing other areas of astrology, most astrologers, in fact, accept kalsarp dosh is main root of problems. But the reality is this that if all planets are well posited in horoscope, kalsarp dosh will not be harmful, and can be supportive to beneficial results endowed by good positions of planets. Kalsarp dosh is inauspicious when positions of planets are unfavorable in one's horoscope. Therefore, it is not wise to fear hearing just about 'Kalsarp Dosh'. It is in fact always better to reach on remedies only after consulting jyotishi for deep analysis on negative influences of Kalsarp dosh. Interestingly, influence of kalsarp dosh is different in different people. Because influence of kalsarp dosh is based on points-which sign is posited in which house, and what other planets occupied that house, what are their influences and so on.

|| Shadbala and Bhavabala – Strength Calculations ||

Shadbala is a method in Vedic astrology that gives quick insight in the strength of planets and the houses. Sanskrit means 'Six' and hence Shadbala consists of 6 different sources of strength. Shadbala calculation is a laborious process but thanks to computers one can get these strength calculations by just one mouse click. Shadbala method gives a value to each planet and each house. The more points a planet and a house gets in Shadbala the stronger it is.
